RE: Compliance with Chapter 120.74, F.S., Annual Regulatory Plan

To Whom It May Concern:

As required by Chapter 120.74, F.S., the Northwest Florida Water Management District (District) has reviewed its rules to insure compliance with statutory requirements. The following laws were enacted or amended during the previous twelve (12) months which create or modify the duties or authority of the agency. The following laws do not require the agency to adopt new or amend current administrative rules for proper implementation. Each of the laws identified below is being implemented by complying with the statutory requirements therein.

- CS/HB 565 Retirement
- CS/HB 985 Maintenance of Agency Final Orders
- HB 225 All-American Flag Act
- HB 371 Relating to Agency Inspectors General
- HB 7023 Administrative Procedures
- SB 702 Relating to Florida Statutes
- SB 984 Exemption from Legislative Lobbying Requirements
- SB 1216 Relating to Community Development
- SB 2516-A Relating to Implementation of the Water and Land Conservation Constitutional Amendment

The agency does not expect to undergo any rulemaking on laws during the next twelve (12) months. Consequently, this document constitutes the entire Annual Regulatory Plan (ARP). As required, the ARP will be available on our website www.nwfwater.com for ten (10) years after publishing. By October 1, the District will publish notice of publication of the ARP in the Florida Administrative Register along with the date of publication and hyperlink to the plan.

I hereby certify that I have reviewed the plan. The District reviews its rules regularly with 2015 being the most recent period which all rules have been reviewed.
